Offg Secretary to the Government of His Highness

the Maharaja of Mysore, General & Revenue Departments

SIR

I have the honor to submit herewith for favour of early sanction of Government 2 lists of apparatus required for the Chemical Laboratory of the Central College, Bangalore The total amount sanctioned up to date out of the special grant was R 7072-4-9 and the amount spent was Rs Rs 4444-1-9

The lists of apparatus submitted to Government for sanction are only estimates but the actual cost of things received often varies To this the Ocean freight, clearing and forwarding charges must be added The actual payment would therefore be more than the amount sanctioned Two bills are pending payment for the chemicals and apparatus ordered out of the lists sanctioned by Government, one for £235-0-3 and the other for £45/- The actual expenditure up to date for chemistry is therefore R 4444-1-9 + R 4200-3-0 =8644-4-9 and the amount sanctioned by Government is only R 7072-4-9

In the circumstances, I request that the excess of R 1572-0-0 be sanctioned along with the enclosed lists for about R 847-0-0

GPB—1500—9 6 09

The favour of very early orders of Government is solicited.

I have the honour to be,

Sir,
